SUMMARY

Data Analyst skilled in SQL (MySQL), Power BI, and Excel, with a track record of turning raw data into decision-ready dashboards. Built three end-to-end HR analytics projects analyzing 1,470 employee records to surface attrition, salary, and workforce trends through KPI-driven reporting. Detail-oriented and reliable, currently applying data accuracy and reconciliation skills in a live operational role at India Post while pursuing a full-time Data Analyst / MIS Reporting position.

CORE SKILLS

Spreadsheets & BI: Excel (Pivot Tables, Pivot Charts, XLOOKUP, VLOOKUP, Conditional Formatting, Data Validation, Slicers), Power BI (Power Query, DAX, KPI Cards, Slicers), Google Sheets

Data & Query: SQL (MySQL) — SELECT, JOIN, WHERE, GROUP BY, HAVING, ORDER BY, Aggregate Functions, Subqueries; Data Cleaning, EDA, KPI Reporting, Business Reporting

PROFESSIONAL EXPERIENCE

Assistant Branch Postmaster (ABPM) — Department of Posts, India

May 2026 – Present

- Manage daily postal, banking, and customer service operations, including deposits, withdrawals, and postal savings transactions.
- Maintain accurate operational records and reports; support cash management, account verification, and transaction processing.
- Coordinate with branch and departmental staff to ensure smooth day-to-day operations and compliance with service standards.

Data Analyst Trainee — Zaalima Development Pvt. Ltd. (Remote)

Apr 2025 – Jun 2025

- Collected, cleaned, and validated datasets in Excel to support business decision-making and reporting.
- Supported classification and prediction analysis tasks as part of a collaborative data science project, under mentorship.
- Created data visualizations and reports using Pivot Tables and KPI summaries, and presented insights to the team under mentorship.

PROJECTS

HR Analytics Dashboard — Excel | Pivot Tables, Pivot Charts, Slicers

- Built an interactive HR analytics dashboard analyzing 1,470 employee records, with KPI cards for headcount, attrition rate, average income, and average tenure.

HR Analytics — SQL | MySQL

- Wrote SQL queries (SELECT, WHERE, GROUP BY, ORDER BY, HAVING, aggregate functions, subqueries) over 1,470 employee records to analyze attrition, salaries, departments, and performance.

HR Analytics Dashboard — Power BI | DAX, Power Query

- Developed an interactive Power BI dashboard with KPI cards, charts, slicers, and DAX measures to visualize workforce KPIs, attrition, salary, and employee distribution trends.

EDUCATION

B.Com (Computer Applications) — Sri Venkateswara University, Margadarsini College, Piler

CGPA: 8.0/10 | Oct 2022 – May 2025

CERTIFICATIONS

- Data Analyst Internship Certificate — Zaalima Development
